Dear Parent or Carer

Ellis Guilford School

We are writing to you to tell you that Dr Sally Coulton is stepping down as Principal of Ellis Guilford School.

From January for the rest of the 2018-19 academic year, the school will be led by Mr David Powell. Mr Powell is a very experienced Principal who has worked for Creative Education Trust in other schools to start a process of rapid improvement in academic performance.

I hope you will join us in welcoming Mr Powell to the school in January and support him in his work to improve the standards of education offered by the school to your children.

Yours sincerely
