Dear Parent/Carer

Ellis Guilford is holding its Third Race for Life Event for Cancer Research UK and we would love your child to join the fun.

Last year's event was a huge success and we are hoping to build on this by involving more students and increasing the awareness of what this charity does.

Today's youngsters are the generation that could see ground breaking treatments and cures for cancer in their lifetime. They are the young warriors who could be the researchers and lifesavers of tomorrow. By taking part in Race for Life and uniting together against cancer, they will be doing something really special.

Cancer Research UK receives no Government funding for their research, so the more of us who join the fight against cancer, the more money we can raise to beat cancer sooner.

Our students will be raising money through a **£10.00** Entrance Fee and will be able to gain sponsorship in addition to this.

We will Race for Life on Friday 28th June 2019 at Ellis Guilford School

Please complete the Form below to give your child permission to unite with us at our Race for Life.

Together, we will be an unstoppable force against cancer!

Thanks for your support.

Yours faithfully

N Fewkes
